Dear Hal:

I am pleased to announce your application for membership on the South Carolina World Trade Center Board of Directors has been accepted and approved by the Executive Committee and full board. Congratulations!

Your term as a board member is three years. Where possible, we hope and expect you to attend regular board meetings and other SCWTC activities and functions. You should also know we have expanded our luncheons to include the SC midlands (Columbia) and upstate (Greenville) besides the monthly luncheons we hold at the North Charleston Convention Center. We also hope you will participate on a board committee, working with other board members and staff to help facilitate the many successful activities and programs being planned.

The next Board of Director's meeting will be held on Thursday, April 21 beginning at 8:30 AM. The meeting will be held in downtown Charleston at Jack Smith's conference room at the offices of Nelson, Mullins, Riley & Scarborough, LLP, Liberty Center (151 Meeting Street at Queen St.), Suite 600 (6th floor). Parking will be paid for in the lot adjacent to the building. An agenda and various summary reports will be sent to you prior to the board meeting.

We look forward to having you on the board, and welcome your ideas and participation. It's a very exciting time to be part of the SCWTC. Thank you for your interest. Please do not hesitate to call Mark Condon or myself if you have any questions or comments.

Sincerely,

Kenneth A. Fox
Chairman, Board Development Committee
